YEAR 7 TRANSITION WORKSHOPS

Our Year 7 students have participated in workshops from Headspace on the Transition from Primary to High School. Students participated in a range of activities and created fantastic posters! "Wonderfully thoughtful and respectful workshops. Year 7 are very artistic." - Mona (Headspace)

FAVELL ST ENTRANCE

Due to ground works being conducted around the entrance to the school from Favell Street, we have been required by the contractors to close this entrance for up to three weeks. Students will need to enter the school via the other existing entrances until this work is completed. Once this work is completed, we will re-open the entrance for students to enter and exit the school
